The X30 Official Firmware Release Note (R0149)

① **Release date : 11th of April, 2023**
② **The version of updated firmware : R0149**
③ **Refer to the below for the contents updated from R0148 to R0149**

A. New Functions

B. Improvement

1 Improved the problem that the device gets frozen if you confirm OK icon after CD ripping is finished

2 Improved to properly display a message 'The CD is already ripped. Do you want to rip anyway?' when trying to rip a CD that has already been ripped again

3 Removed unnecessary cover art services, and improved that Google, Amazon, Being should work for cover art service

4 Improved the issue that coverart focus doesn't fit well in the Tag Edit dialog window

Thank you very much!
